

Windmill Hill Primary School

English	<p>In the first half term, children will look at poetry. They will look at the author Reeve Lindbergh. We will look at patterns in poems. They will perform poems following the rhythm and keeping in time. Children will imitate and invent actions. Finally children will create their own poetry. Then we will look at explanation texts focusing on how humans stay healthy. Children will look at features of the text and then write their own piece.</p> <p>In the second half term children will look at the author Roald Dahl. We will look at a number of his books. They will look at different characters, settings and themes in the story. They will perform parts of the story through role-play. Children will sequence stories and understand the different parts of a story. They will then write their own story.</p>
Maths	<p>In maths, we will choose and use appropriate standard units to estimate and measure length/ height, mass, temperature and capacity. We will also recognise and use symbols for pound and pence and solve problems using addition and subtraction. Children will learn tell and write the time in 5-minute intervals.</p> <p>In the second half term children will identify and describe the properties of 2-D and 3-D shapes. Then children will use mathematical vocabulary to describe position, direction and movement. We will then interpret and construct simple pictograms, tally charts, block diagrams and simple tables.</p>
Science	<p>In Science, we will be looking at Animals and their habitats. We will look at animals and off spring and how they grow into adults. Also we will look at how animals are adapted to their habitat. Then we will look at the basic needs of animals for survival. Finally, we look at how important it is for humans to stay healthy. This will focus on how we keep are</p>

Windmill Hill Primary School

	bodies healthy through food and exercise.
Topic	<p>The topic for the first half term is Farm Shop. Children will learn what a farm is and what types of animals live there. They will look at different types of food and the food we need to have a balanced diet. At the end of the half term children will visit a farm to develop their experience and understanding further.</p> <p>In the second half term children will look at the topic Buckets and Spades. Children will look at the country Brazil. They will complete map work looking at the flag of the country and the continent it is in. Children will research the past of the country. They will complete some informative writing about Brazil showing what they have learnt.</p>
Computing	In ICT, children will look at data and how it can be presented to allow it to be interpreted.
PE	<p>Children will be working on their game skills in class. Focusing on bat and ball skills looking at aiming, hitting and kicking.</p> <p>In the second half term children will be working on their athletic skills. They will be focusing on their running, jumping and target throwing.</p>
French	Madame Lila will be teaching French every Wednesday afternoon extending vocabulary and looking into French customs and traditions.
PSHCE	We will be looking at hygiene focusing on how we can stay healthy. Also we will look at how we can reach are goals through resilience and persistence.
Music / Performing Arts	Children will be working weekly with Mrs. Price. Children will listen and sing following patterns in songs. Children will find their singing voices, sing collectively and start to sing as individuals. In addition, children will receive instrument lessons monthly. Miss Kirsty and Miss Rebecca will teach drama weekly.
