Mobile Phone and Other Recording Device Policy

Please remember to ask at the office for a copy of this policy which will need to be completed by parents and guardians. Your child cannot bring a phone or recording device to school without this form being completed.

Anti-Bullying Week

Next week is Anti-Bullying week. In Friday's Celebration Assembly the children will be selling cakes.

Science Week

All the children have enjoyed Science Week and we have sent our thanks to Daresbury Laboratories for organizing all the activities.

Thank you for all your support.

Kind regards

Miss P Newman
Headteacher

Final Warning

Road Safety and Parking on the Double Yellow Lines Outside School

Following the school newsletter dated 22nd September (this can be found on the school website), nothing appears to have changed regarding the parking issue we have outside school on the double yellow lines and the yellow grid.

I have spoken to PC Ian Hampson about this problem and he has advised me to make a note of any vehicle that is parking in these areas, as they are breaking the law.

Therefore, as from Monday, I will be monitoring the parking situation and taking a note of any vehicle that is parked illegally. This means noting the make, model and registration number of the car.

If there are any parents who notice any cars parked on the yellow lines, please make a note of the vehicle and inform the office.

I will then forward this information to PC Ian Hampson who will follow this up with the owner of the vehicle.

Please understand that we are taking this issue very seriously.
