EDUCATIONAL PERFORMANCE 2019 RESULTS

Dear Paula

I am just writing to congratulate yourself, staff, children, parents/carers and governors of Windmill Hill Primary School for your recent improvements in educational performance across Early Years and Good Level of Development performance.

It has also been noted your strong performance in Key Stage Two Maths results. The work involved to achieve these improvements cannot be underestimated. I would like to congratulate you all for these excellent results which take a huge amount of hard work, dedication and commitment from all involved.

Thank you to all concerned for working hard to ensure the children at Windmill Hill Primary School have an excellent start to their school life and receive a broad and balanced curriculum whilst ensuring they are prepared for their next stage in education.

I hope you have a well-deserved, relaxing and enjoyable summer.

Kind Regards
