Morning Drop Off

Unless your child is attending Breakfast Club, the doors will not be open until 8.50am to allow the children to come straight into school.

Please do not arrive at school before this time.

Important - Please do not drop your child to school before 8.30am as there is no member of staff to supervise the children.

Dogs

Please may I remind parents not to bring dogs onto the school premises or playground. Also, do not leave them unattended outside the school.

Windmill Hill Medical Centre

I have received a letter this week from the medical centre. The letter was advising that the practice will close on 31st March 2017. If you are a patient at the medical centre, you will be assigned to a new practice; however, if you are not happy with the choice, you will be provided with information on how to change it.

If you require any further information, please contact the practice directly.

Windmill Hill Time Capsule - Children's Centre

On Monday 6th March, the School Council helped to dig up the Time Capsule at the Children's Centre.

This capsule was buried 21 years ago and inside we found lots of photos and other relics from that time! These are on display in the Children's Centre but will be passed to us so that the children can see the contents. I will advise you when this happens.

Please find the time to visit the Centre to view the contents. It has been a very interesting project.

Many thanks for all your support.

Kind regards
