Office Notices

Attendance and Punctuality

If your child is absent from school, please can you make sure that you contact the office by 9.30am explaining the reason for absence. If you do not advise the school of the reason for absence, the absence will be unauthorized. An acceptable level of attendance is 96%.

If your child is running very late in the morning, please contact the school to advise and explain why. We have had some children arriving very late to school which is very disruptive to the other children who have already started working. When you arrive at school, an adult must accompany the child into school and sign them in.

Asthma

If your child has been diagnosed with asthma and prescribed with an inhaler, it is vitally important that we have an up to date, working, inhaler in school.

Please can you contact the office and complete the relevant forms for asthma control in school.

Contact Details

If you have recently changed your mobile number or address, please can you make sure that the office has your up to date contact details.
