Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment. We recommend regularly updating the table and publishing it on your website as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • The Sports Premium spending has had a positive impact on pupil participation levels in after school clubs. • The school has been able to offer a variety of sports to pupils in after school clubs – gymnastics, dance, football, rugby, net and wall, multi sports, athletics • Participation in a variety of school sport competitions across the borough has increased. • The school has achieved the Bronze School Games mark • Improving the quality of teaching in physical education. This will ensure there will be sustainability. • Inclusion of sporting achievements in assemblies and through social media (School Twitter account). Awards for KS1, KS2 and after school club. Children also share successes from outside of school. • More inclusive opportunities for all abilities of children - boys, girls, SEN. • Supporting out of school clubs/ teams – gymnastics, karate, football 	<ul style="list-style-type: none"> • Improvements of opportunities for intra sport competitions (house competitions). • Improve the involvement in events like Sports Relief. This will encourage parents to be more active with their children. • Further improve the variety of extra curricular clubs and participation levels of pupils, especially girls and SEND. • To improve further the activity of all children daily in school – daily mile. • Offer more opportunities in different sports in after school clubs. • Promote 60 active minutes across the school, making sure the school complete 30 active minutes of physical activity a day for each pupil. • School to achieve Silver School Games mark.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	

What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

*Schools may wish to provide this information in April, just before the publication deadline.
