Community Shop

A Community Shop will be opening in December in the old Onward office site at Halton Lea. If you would like to become a member, you will need to sign up and you can do this at the Children's Centre on Monday 18th and Monday 25th November between 1.00pm and 3.00pm. You will need proof of address and evidence of any support you receive.

For those of you who haven't heard of community shop it provides three elements to its delivery:-

Community Store

Space to buy high quality food, drink and household products from well-known brands at deeply discounted prices. Surplus products, donated by top retailers, manufacturers and brands mean residents can feed their families for less and help make sure perfectly good products don't go to waste.

Community Hub

The money made in the Community Store helps to provide all sorts of services through the Community Hub. The services cover everything from debt advice to home budgeting and are designed to help people feel inspired, improve confidence and become the best version of themselves.

Community Kitchen

Good food always brings people together and the Community Kitchen café spaces are great places to grab a decent meal, hold a family event or meet with friends to chat and share stories. The bonds made in this space extend beyond their doors and out into communities.

Christmas is Coming!

Christmas is not too far away and there are lots of activities going on in school leading up to the holidays. Please can I ask parents and carers to respond promptly to letters sent home if necessary.

Dates for your Diary

Please see the attached sheet with dates for your diary for the remainder of this term.
