

# Windmill Hill Primary School

22<sup>nd</sup> September 2021

Dear Parents and Carers

At Windmill Hill Primary School the safety and wellbeing of your child is our highest priority.

We work very hard to create a safe place where your children will feel happy and secure so that they can learn and grow and achieve to the best of their ability.

In the media recently, you may have seen news relating to young people sharing their experiences of sexual violence and sexual harassment in schools. The harmful sexual behaviour was carried out by other young people. Windmill Hill Primary School was not one of the schools mentioned and we want to make sure that your children always feel safe and that our school is a safe place for them to thrive.

So that we can make sure that our policies and procedures are the best that they can be, we would like to ask you a few questions about safeguarding at Windmill Hill Primary School. Your answers will help us to make any changes that are necessary to our current policies and procedures in order to maintain our high standards in keeping your children safe.

To make you feel more comfortable in answering the questions, the questionnaire will be anonymous. We want to make sure that if parents have any concerns about the safety of children, we are made aware and can address them immediately.
