On Friday 17th November we will be having our annual charity day. This year, the charity that we have chosen to support is The Brain Charity.

There are more than 600 different conditions affecting the brain, spinal cord or nervous system. These are called neurological conditions. Many are well-known, such as stroke, dementia, cluster headaches and ADHD.

A neurological condition is any condition that affects the brain, spinal cord or nervous system.

The Brain Charity help support people and their families who have received such a diagnosis.

Please find below the link to the charity, if you would like more information.

So... next Friday, we would like the children to come to school wearing multi-coloured clothes with a £1 donation on the day! There will be other activities in school and Miss Potter will send a story on the Class Dojo with more information.

We look forward to seeing all the beautiful colours and crazy outfits on the day!
