Staff Announcement

Finally, I have an important announcement regarding staff changes in school.

Unfortunately, school has had to make significant financial cuts in school and this has affected staffing issues. Several Teaching Assistants are no longer working at the school.

We thank them for their loyal service over the years. They have made a significant contribution to our school and supported our pupils with their dedication to learning and creating a positive environment for our children.

I am sure you will join with me as we wish them well for the future.

I would like to reassure you that your children are our priority and that we will support them whilst they adapt to the changes.

Lastly, I want to thank parents and carers in advance for your unwavering support of school and trust that you will work with us while we all come to terms with these necessary changes.

Kind regards
