Pupil Premium

Report to parents

School Year 2014/15

Pupil Premium was introduced in April 2011 and paid for by a specific grant based on school census figures for those children eligible for free school meals from Reception to Y11.

#### **At Windmill Hill:**

We ensure that teaching and learning opportunities meet the needs of **all** pupils.

We ensure that appropriate provision is made for pupils who belong to vulnerable groups, including those who might be considered to be socially disadvantaged, in order to raise the standard of achievement of these pupils.

Pupil Premium will be allocated following a needs analysis which will identify priority classes, groups or individuals.

All our work through Pupil Premium will be aimed at accelerating progress moving children forward in order to achieve their full potential.
