What is Sports Premium?

Sports Premium is additional government funding allocated by the LA to schools with eligible pupils meeting the required criteria. This funding is then ring-fenced by each school to be spent on sport and health improvement activities.

Allocations for the academic year 2015 to 2016 are calculated using the number of pupils in years 1 to 6, as recorded in the January 2015 census, as follows:

- schools with 17 or more pupils receive £8,000 plus £5 per pupil
- schools with 16 or fewer pupils receive £500 per pupil

As a school we have the freedom to decide how to this money is best spent in order to meets the needs of the children in our school.
